SCRAP SALVAGE CAMPAIGN TO GET UNDER WAY IN COUNTY

A called meeting of Medina County USDA War Board and Medina County Salvage Committees was held at 9:00 A. M. Friday, August 7th, at the AAA Office. Those present were V. P. King, Chairman; R. W. Meyer Hugh F. Wiever, J. I. Kincaid, Joy Tilley, Geo. Heiligman, Robert Riff Paul Richter, Geo. T. Briscoe, Alf Zinsmeyer and R. D. Burden.

The meeting was called to order SALE-Poland-China brood by V. P. King, chairman, and the telegram from George B. Butler Secretary, Texas Salvage Commit tee, stated a campaign for collection of scrap metal and rubber would be held on August 29. The method of handling the scrap material was discussed thoroughly after which Mr. King appointed a committee of Joy Tilley and Geo. Briscoe to select someone to handle or buy the material in Devine community. were requested to notify the AAA Office not later than Monday, August 10th, as to where the scrap may be carried to and what price farmers ach your sheep and goats with may expect to receive in their community.

Mr. Geo. Heiligman of Yancey was appointed to select someone to buy of Mrs. Albert value of Sat- or handle the scrap in Yancey com-

Mr. Robert Riff was appointed to work out some means of handling the scrap in Quihi community.

Mr. Alf. Zinsmeyer was to notify who would handle the scrap in the D'Hanis community. Each committee was requested to notify the AAA Office not later than Monday, August 10th, of the center where the scrap would be collected in each community.

The labor situation of the county was also discussed as some members were not present when the last iabor report was submitted.

A report on the peanut situation indicated that the county has estimated 11,000 acres of peanuts to be harvested and only 9 threshers or the basis of 700 acres per machine this county would need about 16 machines. Mr. King requested that those present notify the AAA Office of anyone who would be interested in the purchase of a peanut picker r thresher so applications could be made for them and sent to Southwestern Peanut Growers Association started this week with peak season spected from Sept. 1 to 15.

HONDO BOY MISSING

The fact that Staff Sergeant Wesley H. Bendele of Hondo was "missing in action" was confirmed the past week in a letter from the War Department to the boy's father. Mr. E. F. Bendele, here. The last word received from the young man was Easter greetings sent his family from Cebu, in the Philippine Islands, on April 4, 1942. In the meantime. Bacan and Corregidor have surrendered.

The Japanese Government has indicated its intention of conforming to the terms of the Geneva Convention with respect to the interchange of information regarding prisoners of war. At some future date lists of prisoners will be received but until that time the War Department can not give positive information and will consider the persons serving in the Philippine Islands as "missing in action", until definite information to the contrary is received.

Sgt. Bendele was at one time stationed at Pampango, P. I.

COUNTY SCHOOLS TO OPEN SEPTEMBER 7th

The Medina County Board has officially announced September 7th as opening date for all schools.

September 4th, 3 p. m. was designated by the board for all bus drivers to have the contracts and bonds ready for approval. This is the final date before school opening and the board insists on having contracts and We welcome the soldiers to our town. bonds on hand at above date.

C. F. SCHWEERS, Secretary.

NOTICE, SUGAR USERS

This is to inform the residents of Medina County that the Rationing We are just a peaceful village small, Board is not allowed to issue applications for canning sugar on days other than Thursdays and Fridays. When the applications are made, it is necessary that the applicant bring with him the War Ration Books for whom the sugar is obtained. This is a regulation that must be observed.

Let us do your job printing.

Sleek and silver with twin motors and rudder assembly is the AT-7, pictured above. This is the type of ship used in training Army Air Force navigators at the world's largest Navigation School here at Hondo. The ship is powered by two 450 hp. motors, and it has a cruising speed of 160 mph and a cruising radius

A navigation cadet will use this plane as his aerial classroom in covering some 15,000 air miles in training before he is awarded his silver wings and a second lieutenant's commission.

Hondo Navigation School Is Activated

FIRST CLASS TO GRADUATE SATURDAY, AUGUST 15TH; SOME LOCAL AND PERSONAL NOTES ABOUT THE FIELD.

Transfer of the Kelly Field Navigation School to the Hondo field was effected over the week-end, and Monday morning, August 10, the world's largest aerial navigation school was activated. Opening of the field was

without ceremony and class schedules were continued Monday without break for the former Kelly cadets. Authorization of the construction of the Hondo field was received by Chamber of Commerce officials here on March 31, 1942, and work

rickers to harvest the crop. Using got under way immediately. The field was completed in record time and was taken over by the Army several weeks ago. Personnel, planes and equipment were shifted to the new locale just prior to open-Heading the Army Air Forces Navigation School at Hondo are Col

Linus D. Frederick, commanding officer; Lt. Col. Odea Evans, executive officer; Lt. Col. George B. Dany, director of training; Major Cecil H. Childre, project officer during the building of the field, group comimmediately. The peanut harvest mander; and Major J. J. Jewett, post adjutant.

Col. Frederick is a World war veteran and native Texan. He has served with the army almost continuously since his first enlistment as a pri-Kelly Field and received his wings in 1922. He is now a command pilot 1941. with over 4,400 flying hours to his credit. Col. Frederick, who has been stationed at Brooks Field, Randolph Field and Foster Field in recent years, was project officer at Eagle Pass before assuming command here on July 1st.

Lieut. Col. Dany, 1934 West Point graduate, has directed the navigation school at Kelly Field since the school was organized in 1941. A pilot, Col. Dany is also a qualified navigator and was stationed at the army's first navigation school at Barksdale

Hondo from Brooks Field. He is a graduate in electrical engineering.

the navigation school was first set up at Kelly Field. Major Jewett, was transferred

Jewett graduated from the Kansas had happened. State College at Manhattan, Kan.

marked the first anniversary of vate in 1918. He graduated from training center. First classes started at Kelly Field on August 10, Expansion of navigation training has brought about the Army Air Force Navigation School at Hondo, a school devoted exclusively to training the men who "will find the

CADET PROGRAM IN FULL SWING

The Army Air Forces Navigation School which had its official opening Monday August 10, was a beehive of activity over the week-end. Instructors and cadets arrived in droves from Kelly Field; living ar-Lieut. Col. Odea Evans comes to rangements were completed and what had formerly been a ghost field with a skeleton personnel became a Major Childre is a native of Wes- living thriving metropolis. No time He was project officer when was lost. Everything was accomplished with a minimum of delay and confusion. Not one hour of classroom instruction was omitted, and from the army gunnery school at Monday morning navigation cadets Harlingen. A civil engineer, Major marched to their classes as if nothing

In fact, very little had. The cadet When classes began Monday they routine is the same. It is only the

location of the school which has changed. Reveille is still at 6:00 a. m., followed by breakfast at 7:00 and ground school at 7:30. At 11:45 the cadet begins his drill period, and his dinner is served at 12:40. At 1:30 he goes back to ground school for the afternoon. At 5:45 he answers the call to athletics, and at 7:15 he goes to supper. At the end of this full day he hears taps at 10 p. m. Cadets go on frequent flights during the week in order to put their classroom instruction into practice.

It isn't all work at the school, however. According to Major H. G. MacDaniel, special service officer the athletic program has been designed to reach everybody on the post. Intra-squadron leagues will feature softball, touch football, basketball and volley ball. Post tournaments will offer boxing, tennis, badminton, horseshoes and ping pong. Post ceams will compete ball, basketball and football. The within a month's time.

LT. COL. GINDER TRANSFERRED

Lt. Col. Willard R. Ginder, post executive at the world's largest navigation school here, has just been appointed executive officer for the Army Air Forces' new Flexible Gunnery School at Laredo, Texas. In his new position Col. Ginder will be executive assistant to the commanding officer. He left Hondo August 11 for his new post.

* * LT. COL. EVANS NEW EX-ECUTIVE

Lt. Col. Odea Evans, formerly assistant executive officer at the school, has replaced Col. Ginder as executive officer. He came to Hondo from Brooks Field. A native of Moss, Miss., Col. Evans graduated from Mississippi State College in 1929 with a degree in electrical en-

RED CROSS INSTRUCTION **OFFERED**

THE LOW DOWN FROM HICKORY GROVE

* The U. S. A. is the champion a nation for contests. We have * hog callers contests, and drum majorettes knee showin' con-* tests, and bathing beauties in * high heels. I never yet have seen * anybody swimming in high * heels, but also, I have never seen a bathing beauty near any water. And in all the contests so far-no difference which one -you gotta show lots of teeth. Also, you gotta be able to open up wide enough so everybody can see down at least to your tonsils.

I have seen enough dimples on knees, etc., so I say to Henry, why can't we have something Why not a contest for the nation's biggest suckereverybody could enter? Alright, says Henry, you could get into that one yourself-you wouldn't need to show your tonsils, you could just show your ignorance. Henry pulls some pretty good

But down to business-on suckers. As a starter maybe we could run a contest and find out why so many voters figure that *our new "Potomas-type" so- * cialism, if it gets a foot in the door of one business, is not gonna put its other foot in your business next.

Yours with the low down, JO SERRA.

SCRAP METAL DRIVE

In answer to the President's plea the Gulf Coast Army Air Force athletic program will be in full swing for the Scrap Metal Drive, all persons living in unincorporated towns and in rural areas are urged to collect their small scrap metal from their properties and deposit it on the right-of-way lines along state highways. It will be picked up by State Highway Department trucks as they return to section warehouses evenings and then will be made available to the Government for shipment to THIS SCRAP SHOULD BE THAT WHICH CAN BE PICKED UP AND LOADED BY A FEW MEN, AND SHOULD NOT IN-CLUDE OLD TRACTORS, AUTO'S

> All District Engineers of the Highway Department have been instructed by State Highway Engineer D. C. Greer to have the personnel in the field throughout the State cooperate with the members of the Roadside Development Program organization in order to make the undertaking effective as quickly as possible. The scrap will be turned over to the Red Cross, the U.S. O. or the Boy Scouts in each area, which organizations will make it available to the Govern-

It is expected that the campaign in this State will result in a large collection of the urgently needed scrap, which otherwise can not be readily obtained from outlying communities, farms, ranches and other properties.

There is no doubt but that a great many tons of steel scrap can be collected in Texas in this manner. The Highway Department workers in the field will be on the lookout for the scrap metal deposited on the rightof-way lines of highways by citizens and will collect it in Highway trucks for shipment to mills from a central point in each area.

The War Production Board points out the following equivalents as essential in the manufacture of armament:

5 pounds-4 hand grenades. 420 pounds—210 rifles (.30 cal.) 850 pounds-150 light machine

guns. 2 tons-8 anti-tank guns (.37 Mi) 15 tons—1 tank

15,000 tons-1 battleship.

WARDROBE

Antonio hospital on Tuedsay, August 11, 1942, at about 4 A. M. Death came to her at the age of 78, follow: ing several years of suffering, which became intensified about two months ago when she sustained a fracture of the hip. The remains were brought to the Horger funeral home the same day, where at 9 P. M. friends and neighbors gathered for the reci-Acreage, both in and adjoining tation of the Rosary, led by Reverend Smith of Runge.

MRS. MARY ELIZABETH NEY

PASSES

of the late Joe Ney, died in a San

The funeral took place Wednesday morning at 10 o'clock, when Reverend Roy Rihn, of San Antonio, nephew of the deceased, sang a High Mass of Requiem in St. John the Evangelist's Catholic Church here Father Smith read the "Libera Me. Domine," and then spoke briefly about the exemplary life of Mrs Ney, with consoling words for her family. She was buried in the Catholic section of Oakwood Cemetery. Father Rihn conducting the burial service. Pallbearers were grandsons of the deceased, as follows William, Edmund, Tommy, and Oscar Ney, Pat O'Neill, and William Brown Jr.

Mary Elizabeth was the eighth child of Richard and Mary Agatha where she was born on March 19. 1864. In May, 1883, she was married in St. Dominic's Church at Food is the road to any man's heart. D'Hanis to Joe Ney of that place. this union nine children were born five of whom preceded their parents in death. Their home was first at Things done by halves are never D'hanis and later at Castroville ? where Mr. Ney began a long careet If a task is once begun as a county officer. Hondo became Never quit till it's done; their place of residence at the time | Moments are useless trifled away, the county seat was moved here. Mr | So make each minute count in Ney preceded his wife in death in

Mrs. Nev's survivors are two daughters: Miss Della Ney and Mrs. Earl O'Neill; two sons, Ed Ney and When dark clouds seem to hover Will Ney, all of Hondo; four sisters, Mrs. Regina Davenport of Uvalde Mrs. F. J. Carle, Mrs. Louis Carle and Mrs. H. C. Rothe of D'Hanis fourteen grandchildren, and one great-grandchild.

Mrs. Ney will be remembered for her charity, for her resignation in time of suffering, and for her selfsacrificing devotion to home and family and church. The many friends of her children sympathize with them in their great loss.

A FREAK EGG

Mrs. H. E. Garteiser was showing a freak egg at this office Monday The egg was laid by a White Legtorn hen on the premises of Mrs Carteiser's parents, Mr. and Mrs. P. E. Haass. The egg was about the size of a turkey egg, perhaps a little more elongated, and on the inside in addition to the regular yolk and white of a normal egg, there was attached to the small end of the shell on the inside the shell of another egg somewhat in the shape of a gourd and also contaning the meat

Garteiser said the hen produced this freak frequently lays eggs with a double yolk, but this is the first time she had produced a shell inside of another shell.

CARD OF THANKS

We wish to express our thanks to our frends and neighbors for their many acts of kindness to our beloved mother, Mrs. Mary E. Ney, during her long illness, and for the many trial users when they apply for their expressions of sympathy to us or her death. There is a strong sentiment in the Senate, at this time, against inflationary conditions. Senators George, O'Mahoney and Vanderberg de-"nounced "half measures" to control erate. O'Mahoney wants to meet the inflation threat "head on." Their remarks were made during debate on wages of its own employees.

Some officials here are predicting that during the next few months a multitude of specific adjustments work for full salvage by every citiupward . . . reacting on others. They zon" Mr. Davis said. say that this is inflation, slow and Vice Chairman Ba moderate, but not vet a runaway. _WSS_

"95 per cent of war contractors are doing an honest and effective job and are receiving only fair and reasonable profits." A geat majority are doing a magnificent job in supplying the Navy with its required material. That is the summation of the year-long invesigation by the open. House Naval Affairs Committee into costs and profiteering in the Naval expansion program. The other 5 per cent, according to the Committee. "appear to be taking advantage of the situation and to be receiving excessive profits." The Committee considered the average net profit on a naval contract to be reasonable. They recommended a statutory method of profit limitation. Chairman Vinson recommended an outright statutory limitation but the Committee said that Congress should 1941. decide whether the limitation be by direct act, by excess profits taxes or otherwise.

A great deal of discussion is still heard here about the tax bill and its effect on curbing inflation. The Senate Finance Committee had been disposed to undertake substantial revision of the tax bill had the Treasury come before it with a "realistic" wartime program. Committee leaders wanted suggestions for new sources of revenue-something to curb inflation such as a sales tax. compulsory savings, perhaps a withholding tax. But as expected, Secretary Morgenthau reiterated the request he made to the House-more from the same sources-"abolition of special privileges" (joint returns, percentage depletions, state and municipal bonds). Mr. Morgenthau did indicate that as far as corporation tax rates are concerned he is interested primarily in total revenues from this source rather than specific

Representatives of the National Association of Manufacturers, the United States Chamber of Commerce, the Congress of Industrial Organizations and the American Rederation of Labor-met with President Roosevelt recently to jointly assure the nation of the desire of both employer and employee to contribute their utmost to the war effort.

The delegation assured Mr. Roosevelt that they wished to do everything possible to win the war and informed him that "we realize that in this critical hour the future of our Mexican borders was ordered dim- cases although thin wasty and emaci-American system, comprising free management and free labor, is at stake. We must win the war to preserve that system for the future." The President thanked them for their the shore. The Navy announced the lower but mostly steady. Good and support, praised the war production torpedoing of 14 additional United Choice earned \$11.00-12.00 few Nations vessels to halt the upward spiral of prices.

RECIPE

Sauerkraut and fresh mushrooms With steak-for breakfast prunes-Coffee and a slice of bread, Or only fruit-juice instead.

Soup alone for the noon hour With a crown of cauliflower-It is good to give a test To carrots, beets and the rest Of the vegetable crowd . . My praises for fruit ring loud! Also for nuts and tomatoes, And the stand-by brown potatoes.
—OLIVA M. DIAZ.

Let us do your job printing.

A summary of the past week's war events reviewed by The National Editorial Association Defense Advisory Committee in cooperation with the Office of Government Reports.

FOR RELEASE AUGUST 11, 1942

Admiral William D. Leahy, the of America's decision."

President Roosevelt in a message reed on the broadcast, said "great progress" has been made in the battle of production but "in terms of prices. George said that the admin- what will be required to defeat our istration's wage policy was making enemies we have only just begun to it impossible for price controls to operation our stride." Elmer Davis. Director of the Office of War Information, said America's conversion job has largely been completed; the a bill for the Government to raise emphasis now must be transferred from finished goods to the raw materials from which they are made. here and there to adjust prices to new, or marginal or abandoned the higher costs which have not been sources of supply. We will develop existing facilities and by tapping prevented. No general upping, but new processes, eliminate waste, and

Vice Chairman Batt of the War Production Board, or the same radie program, said the public must see to it that all waste and scrap metal s collected and "sent to the millsquickly. There is plenty of iron and teel scrap . . . that must get back the jurnaces if the steel needed for the war is to be produced. You and I can help by keeping our eyes

In a general review of the war situation, the Office of War Information said June production of military planes fell slightly behind schedule, despite the fact that the U. S. made more planes than any other country in the world. The same was true of tanks, of most types of artillery, and of Naval vessels, the OWI said. Because of enemy submarine activity the office said, it probably will be well into 1943 before we equal merchant shipping as of December 7

The WPB announced inauguration of a nationwide inventory of used construction machinery to be made through WPB field offices in an effort to place an estimated 500,000 pieces of vitally needed construction equipment into use. A complete inventory of available equipment will be kept up to date at the regional offices for the information of war tal receipts 800. The week's initial agencies and private contractors en-

gaged in war work. The War Front

States Naval and other forces have Friday. A top of \$14.00 took the attacked enemy installations in the bulk of Good and Choice 180-270 lb. Southeast part of the Solomon Islands in force and the attacks are continuing." Later the Navy said 'considerable enemy resistance has been encountered and it is still too early to announce results or to estimate either our own or enemy losses." Gen. MacArthur's Headquarters in Australia reported August 10 that Allied, planes from Australia were \$13.25-13.50. maintaining a 24-hour-a-day offensive over the entire invasion zone in support of the attack against the Solomon Islands. The Navy also reported U. S. Naval forces "bombarded enemy ships and shore establish-ments at Kiska" in the Aleutians simultanously with the beginning of Common and Medium selections the attack on the Solomon Islands.

General of U. S. Ground Forces in yearlings cashed around \$8.00-8.50. Britain, said the U. S. Army is sending "picked combat divisons" to Britain and "the sooner a second front could be opened the better." He mon and Medium beef kinds turned said "obviously we are not here to at \$7.00-8.75 and a few Good lots sit on the defensive." The Pacific made \$9.00-9.50. Canners and Cut-Coast, from the Canadian to the ters commanded \$5.00-7.00 in most med out beginning August 20 and ated Canners had to go at \$3.00-4.50. for the duration by Western Defense Sausage bulls claimed steady to weak Commander Dewtt as a precaution prices at \$7.50-9.75. Calf trade was against enemy attack at sea and on Nations vessels.

Sabotage and Subversive Activities The White House announced six of the eight Nazi saboteurs landed in this country by submarine were executed in the District of Columbia jail August 8. The sentences of the other two were commuted by the President to life and to 30 years imprisonment, "because of their assistance to the Government of the United States in the apprehension and conviction of the others." The First Ground Air Support Command in the sheep and goat division looked in New Yrk City annunced the discovery by Army flyers of ingeniously contrived markers, aimed directly at eastern airfields and airplane factories. The markers, invisible from the ground, were eradicated and the danger to the war bases averted, the announcement said. "Proper action" was taken against the persons who built the markers. Transportation

The WPB approved the proposal of Henry J. Kaiser, shipbuilder, to construct 500 70-ton cargo-carrying planes. patterned after the flying boat "Mars" built for the Navy. The program is contingent, however, "up-

on our being able to do it without interfering with the present combat plane program," WPB Chairman Nelson said. Army Air Force Commander Arnold said at present 21 percent of all Army Air Forces multi-engined plane production is being devoted to transport planes, and the program calls for this proportion to

be raised to 30 percent in 1943. The Office of Defense Transportation said approximately 4,000,000 school children who ride daily in 93,-000 school buses will be affected by ODT's order to reorganize all school bus services. The plan calls for staggered bus schedules and denies special bus service for students who have less than two miles to walk to and from school (with certain exceptions) and where areas are serviced by public carrier routes.

Rationing President Roosevelt set up three-man committee, headed by Bernard M. Baruch, to study the entire synthetic rubber program. The President's Chief of Staff in a radio President said the Committee's findbroadcast August 9 marking the first ing will "form a basis for future acanniversary of the Atlantic Charter, tion not only with respect to synsaid "This war will probably be long. thetic rubber, but also such matters It will be the toughest, hardest, most as nationwide gas rationing and momerciless war we have ever fought. tor transportation." The OPA said It calls for the united power of every it is planning a universal ration book American, in uniform and out of uni- to be put into the hands of every form on the firing line and on the American, as part of its machinery production line . . . I have no doubt to handle rationing of many commodities which do not require rationing at present. The Office said traveling salesmen will not be permitted more than a B ration book in addition to their A books.

Farm Labor Supply Agriculture Secretary Wickard announced the Farm Security Administration and the U.S. Employment Service will recruit additional workers for farmers in areas where there are seasonal shortages of labor. The workers will be recruited only after the farmer and the Em-"We will get them by full use of ployment Service have been unable to obtain workers locally. The workless than 30 cents an hour. If the workers come from a distance, farm ers must pay transportation costs up to 200 miles and the FSA will pay for additional mileage. The workers must be properly housed and work guaranteed for at least three-fourths of the time they are in the area.

The OWI reported an arrangemen has been concluded between the U S. and Mexico making possible tenporary migration of Mexican farm workers into this country to helv combat the seasonal farm labor shortage, especially in the South of the community. west.

The Army announced formation of two completely airborne divisions consisting of about 8,000 men each to be stationed initially at Camp Claiborne, Louisiana. The War Department said more than 7,000 volunteer officer candidates (men clast the Santa Rosa Hospital, having un sified as 3-A volunteer for officer dergone a major operation, and is training) have been inducted into convalescing rapidly. service. The Departmnt said in a Mrs. S. P. Childress is on the road short time it will place orders for to recovery after her recent illness large quantities of wool cloth which will be home perhaps this week. will call for most of the domestic Mrs. J. N. Wilson underwend wool clip now available.

LIVESTOCK MARKET REPORT

Monday, August 10 1942 HOGS: Estimated salable and to session in the San Antonio hog division found trade on moderately ac tive basis at generally steady price The Navy announced "United levels as compared with last week butchers. Similar grade 160-180 lbs average turned at \$13.50-14.00 and 140-180 light lights made \$13.25 13.50. Most sows scaling 450 lbs and under cashed at \$12.75-13.00 although heavier weights dopped to \$12.50. Demands continued fairly broad on feeder pigs as Good and Choice 90-120 lb. averages cleared

CATTLE: Estimated salable and total receipts 1000; CALVES 3200 Trade for slaughter classes of cattle was rather slow to get under way Monday due largely to increased supplies. Slaughter steers and yearlings appeared mostly steady and ranged from \$9.00-11,50. Cutter Major General Clark, commanding grade "boner" lightweight steers and

Killer cows sold steady to 25c lower with Medium and Good kinds showing the loss in late deals. Comsomewhat irregular at steady to 25c \$8.75-11.00 and culls \$6.50-8.75.

Stocker calf trade appeared moderately active and generally steady Good and Choice steer offerings ranged from \$11.25-13.00, although not many consignments were of quality to sell above \$12.50. Comparable trade heifers cashed at \$10.25-12.00. Medium grade yearling stocker steers cashed at \$10.50.

SHEEP: Estimated salable and total receipts 1200. Scattered sales steady. Medium and Good No. 3 pelt aged wethers commanded \$5.75. Slaughter goats changed hands at \$3.25-3.75. Odd head solid mouth breeding ewes brought \$4.50.

ABOUT PEOPLE YOU KNOW

The Leakey Leader.

Mr. and Mrs. Tom Heath were in from their ranch near Rio Frio last Wednesday, and Mrs. Heath called at the Leader office and left some classified ads. * * * Mr. and Mrs. Heath have sold their ranch and stock, and according to her statement, she plans to go back to her "first love" newspaper work. For a number of years Mrs. Heath was with newspapers in San Antonio Houston and in Colorado. She is a very able writer and editor of a

womans' page and kindred subjects. Sam Clark, who has been doing defense work at Hondo, was up over the week-end and reports that the work is about completed on the Hondo project.

Uvalde Leader-News:

Mrs. Jula McMann and daughter, Mrs. Mary Beth of Houston, are spending the week here at their summer cottage. Miss Ursie Lee Rock of Hondo spent the week-end here as their guest. She accompanied her parents, Mr. and Mrs. Ferd J. Rock, on their return home after spending Sunday here.

Mr. and Mrs. G. W. Proctor left Tuesday by plane from San Antonio for Boston where they will make a short visit with their son, Lt. George Proctor, Jr.

Miss Gertrude Umlang and Mrs. E. E. Umlang left Thurseday after spending several days here with their parents, Mr. and Mrs. A. E. Umlang.

Mr. and Mrs. Willie Tampke received word last week that their son, Roy Dean, had reached port of debarkation safely.

Atascosa County Monitor:

Glenn Steinle has volunteered for service with the U.S. Marines and will soon enter the Marine Officers Training School in Virginia.

Mrs. Frances Wurzbach of San Antonio has been visiting her daughter, Mrs. A. N. Steinle and family since last Saturday. Mr. and Mrs. Leon Steinle are hav-
